

## **General Information**

All of the online audio lecture courses are presented by seminary faculty with earned doctorates in theology and related disciplines.

Each online audio lecture course includes one or more Multiple Choice Tests. The tests are “open book” format. This means you are allowed to listen to the lectures as often as necessary to arrive at your answers for the questions. Each Audio Lecture is Approximately 30 Minutes in Length.

The Bible will be used for information.

The required reading is about 200 pages for a one credit unit course, about 400 pages for a two credit units course, and about 650 pages for a three credit units course. Students need to finish test(s) for the course and complete writing assignments to receive credits. Please remember to submit a course listing log for each course you take, which is weighted 20% of the overall grade.
